CLINIC HOURS LIMITED: Mon., Wed., Fri., 8:30-12. Please call clinic before coming to the clinic.

Travelers should bring the following information with them:

- ✓ Travel orders confirming official USG travel
- ✓ Yellow Immunization Record Book (No matter how old or dog eared it is)
- ✓ Any other immunization records you have in addition to the yellow book.
- ✓ Federal Employees traveling overseas with spouse and children on their travel orders need to make an immunization appointment.
- ✓ Federal Employees traveling with children should check with their pediatric care provider and bring the current immunization records of the children.
- ✓ The international travel medical questionnaire form from Travax.com should be completed and hand carried to the immunization clinic. Login and password for www.Travax website may be obtained by calling clinic staff .
- ✓ It is best to schedule the travel clinic visit at least 4 weeks before travel to Asia, South America or Africa.

Clinic appointment preferred but walk-ins can be accommodated.
